

Adobe® Creative Cloud™ for teams

The following copy blocks can be used in web pages, catalogs, print ads, or other promotional materials for Adobe Creative Cloud for teams.

HOW TO USE THIS DOCUMENT

Here is a step-by-step guide for copying content and eliminating the PDF formatting:

1. Open the PDF file in Adobe Acrobat® 8, 9, or X. In the toolbar, click the Select Tool  and highlight the section of text you want to copy.
2. Right-click the highlighted text and select Copy. Do not select Copy With Formatting, unless you want to copy the format as well.
3. Navigate to the file in which you want to paste the text.
4. Place your cursor where you want to insert the text.
5. Right-click and select Paste.

ADOBE® CREATIVE CLOUD™ FOR TEAMS HEADLINE/TAGLINE

A better way of working together.

SHORT DESCRIPTION

Adobe® Creative Cloud™ for teams delivers the ultimate set of creative tools with the business-sized features you need.

LONG DESCRIPTION

Imagine if your team always had the latest tools. Imagine if they could save time by seamlessly sharing files and folders. That's Adobe® Creative Cloud™ for teams. You get the entire collection of CS6 tools and exclusive updates, along with team-specific features that make working together—and managing licenses—easier than ever. All for one affordable monthly* price.

*Creative Cloud for teams requires an annual contract. It is billed monthly if you purchase through Adobe.com. If you purchase through an Adobe Authorized Reseller, you pay for the year in full at time of purchase.

†Adobe InDesign® Server CS6 and InCopy® CS6 are not included in Creative Cloud.

#Expert support available in English, French, German, and Japanese.

EMAIL COPY/ AD COPY FOR IT MANAGERS

Easy to manage. Easy to Scale.

Give your organization the world's best creative tools—and give yourself a simple way to manage them. Adobe® Creative Cloud™ for teams* gives your company access to every Adobe Creative Suite® desktop tool, services for publishing apps and websites, collaboration features, and more.

You'll get centralized purchasing and administration, so you can easily reassign seats as the team grows and changes, plus access to Adobe's expert support organization, and the peace of mind that comes with industry-leading security and encryption technologies.

Best of all, there's no need to worry about updates—Creative Cloud for teams gives you access to all the latest features as they're released, so the whole team can stay current.

*Wireless internet connection required. Mobile and tablet applications and syncing functionality require a separate download and agreement to additional terms. Adobe online services, including Adobe Creative Cloud service, are available only to users 13 and older and require agreement to additional terms and Adobe's online privacy policy. The applications and online services are not available in all countries or languages, may require user registration, and may be subject to change or discontinuation without notice. Additional fees or subscription changes may apply.

EMAIL COPY FOR CREATIVE GROUP MANAGERS

A better way of working together.

Give your team the world's best tools and services to help them collaborate, create, and publish: Adobe® Creative Cloud™ for teams.*

One affordable, simple-to-manage membership gives each person access to every Adobe Creative Suite® 6 app, as well as additional tools that aren't part of CS6—like Adobe Muse,™ Adobe Acrobat® XI, Adobe Photoshop®, Lightroom® 4, and Adobe Edge Tools and Services—all with no-cost upgrades as they become available.

Your team can easily publish websites using Adobe Business Catalyst® hosting service. And with Adobe Digital Publishing Suite, Single Edition, they can deliver stunning digital publications to iPad devices without having to write code.

Creative Cloud for teams makes collaboration easier than ever. Each of your team members receives 100GB of cloud-based storage, sharing and collaboration capabilities, device syncing, and access to Adobe's expert support organization. Flexible. Just like your team.

Introducing Adobe® Creative Cloud™ for teams

PRODUCT HIGHLIGHTS

The world's best tools—Equip your entire team with every Adobe® Creative Suite® 6 desktop application, plus Adobe Muse,™ Photoshop® Lightroom® 4, Acrobat® XI, Adobe Edge Tools & Services, and more. And everyone gets immediate access to new applications and features upon release.

Publish apps and websites—Explore new outlets for your content with the publishing services included with Adobe Creative Cloud.™ Create and host websites, deliver stunning digital apps to the iPad device, and more.

Share widely. Collaborate privately.—Now it's easy to keep everyone on the same page. Share files or folders with one person or with a larger team. The latest industry-leading security and encryption technology is built right in.

The files you need. Where you need them.—Work on files at the office, from home, on your tablet. Save them to the Creative Cloud Files folder on your desktop, and it syncs up with your workgroup members and your devices. A hefty 100GB per person is provided to every team member.

Centralized administration—Easily manage and scale your team's software with centralized purchasing and license management tools. You and your designated administrators can quickly add, assign, or transfer seats, and track usage by team members.

Expert support—With Creative Cloud for teams, your team members get direct access to our product experts. Just schedule a one-on-one session—up to two a year per member. It's like having your own Adobe expert right down the hall.

TOP REASONS TO BECOME AN ADOBE CREATIVE CLOUD FOR TEAMS MEMBER

Easy to manage. Easy to Scale.

For one affordable monthly charge, Adobe® Creative Cloud™ for teams provides organizations with access to any of the Adobe CS6 applications, along with feature updates and new tools and services as they become available.

Other reasons to join Creative Cloud:

- Adobe Photoshop® Lightroom® 4 software
- Adobe Muse™ and Adobe Edge tools and services
- Collaboration tools and 100GB of online storage, per seat
- Low cost of entry to all Creative Suite® 6 components
- Administrator console helps you easily manage and scale your investment
- Budget predictability for creative software across the organization
- Easier procurement and license management
